EXPERTS IN VOIP & CONVERGED COMMUNICATIONS

business partners

You'll be looking at converged communications...

We partner with some of the industry's leading voice and data manufacturers.

We believe in building partnerships, not only with our customers but also with our suppliers. We invest heavily in our people at EVAD and ensure that all of our staff are accredited to the highest levels.

Our product portfolio enables us to show you real business benefits from implementing the converged communication solutions we have to offer. Whether you are looking to implement something as simple as a new cabling system within your organisation, to designing a complete business voice and data network we have world leading products and in depth industry knowledge to show you the way.

To speak to one of our team and see exactly how we do business better...
